

WAGAN Corp. Limited Warranty Registration Form

All WAGAN Corporation products are warranted to the original purchaser of this product.
Warranty Duration: This product is warranted to the original purchaser for a period of one (1) Year from the original purchase date, to be free of defects in material and workmanship. WAGAN Corporation disclaims any liability for consequential damages. In no event will WAGAN Corporation be responsible for any amount of damages beyond the amount paid for the product at retail. In the even of a defective item, please ship the item, prepaid, with a complete explanation of the problem, your name, address and daytime phone number. WAGAN Corporation will, at its option, replaces or repair the defective part. This warranty is void if the product has been damaged by accident, in shipment, unreasonable use, misuse, neglect, improper service, commercial use, repairs by unauthorized personnel or other causes not arising out of defects in materials or workmanship. This warranty is effective only if the product is purchased and operated in the USA and does not extend to any units which have been used in violation of written instructions furnished.

Warranty Disclaimers: This warranty is in-lieu of all warranties expressed or implied and no representative or person is authorized to assume any other liability in connection with the sale of our products. There shall be no claims for defects or failure of performance or product failure under any theory of tort, contract or commercial law including, but not limited to negligence, gross negligence, strict liability, breach of warranty and breach of contract.

Warranty Performance: During the above one (1) Year warranty period, a product with a defect will be replaced with a comparable model when the product is returned to WAGAN Corporation with an original store receipt. The replacement product will be in warranty for the balance of the one (1) Year warranty period.

Heated Travel Mug™ Electronic Heated Mug

User's Manual

Thank you for purchasing the Electronic Heated Travel Mug by Wagan Tech. With normal care and proper treatment it will provide years of reliable service. Please read all operating instructions carefully before use.

INSTRUCTION:

1. Wash before first use
 2. Start the vehicle's engine
 3. Plug the electric cord to the Electronic Heated Travel Mug
 4. Plug the electric cord to the vehicle's 12V cigarette lighter socket
 5. Always keep lid of the Electronic Heated Travel Mug closed
 6. Remove the electric cord when the vehicle's engine is off
- The Electronic Heated Travel Mug is nicely designed for convenient use in outdoor activities and traveling
 - Perfectly made to keep the beverages (example: coffee, milk or tea) warm in a very cold environment
 - It can fit in most car cup holders when traveling and can be used at home, office, hotel, dorm, etc using the appropriate AC adapter
 - It can heat up beverages around 145°F (65°C) in 30 minutes
 - Exclusive insulation material will preserve the perfect beverage temperature for up to 2 hours after the Electronic Heated Travel Mug is unplugged from the car
 - The keeps your coffee, tea, or hot cocoa warm for that morning commute, late night driving, or just and road trip.

FEATURES:

- Fits all standard cup holders
- Unbreakable stainless steel exterior

CAUTION:

- The lid (cover) is not leak proof
- Remove the electric cord when the engine is off
- Caution liquid can get very hot
- Do not exceed product capacity with liquid as hot liquid may scald the user
- Keep out of children's reach when filled with hot liquid to avoid scalding
- This product is stainless steel and not to be used in a microwave or dishwasher
- Hand wash. Not dishwasher safe
- Put a piece of paper inside the cup to make sure the Electronic Heated Travel Mug is completely dry before plugging it into the power source

SPECIFICATIONS:

- Detachable 4 ft 12V power cord
- Capacity: 16oz. / 473ml
- **Power Consumption: 48 watts**
