

Material Safety Data Sheet

N/A = Not Applicable

N/E = Not Established

(Prepared According to 29 CFR 1910, 1200)

Effective Date: 8/1/06

Product Identification

Product Name: Grip On Anti-Slip Solution

Chemical Family: Cleaner

NPCA Hazardous Materials ID System

Generic Name: Anti-Slip Floor Treatment

Formula: Mixture

| | |
|------------------------|----------|
| Health | 0 |
| Flammability | 0 |
| Physical Hazard | 0 |

Supplier's Name: Safety Seal Products Corp.

Phone Number: (877) 633-2669

Supplier's Address: 14545 Military Trail, Suite 139
Delray Beach, Florida, 33484

Emergency: (877) 474-7661

Hazardous Ingredients

| <u>Chemical Name</u> | <u>CAS #</u> | <u>OSHA PEL</u> | <u>ACGIH TLV-TWA</u> | <u>Carcinogen</u> |
|----------------------|--------------|-----------------|----------------------|-------------------|
| Hydroxy Acetic Acid | 79-14-1 | N/E | N/E | No |

Physical Data

Boiling Point: 100 C
Vapor Pressure: 788 mm/Hg
Solubility in Water: Complete
Freezing Point: 0 C
Physical State: Clear yellow, mild odor

Specific Gravity: 1.04
Evaporation Rate: < 0.8
Vapor Density: No VOC's
pH: 7.6

Reactivity Data

Stability: Stable
Hazardous Polymerization: Will not occur
Incompatibility (Materials to Avoid): Strong oxidizers
Hazardous Decomposition Products: None known
Conditions to Avoid: Avoid Freezing

Fire and Explosion Hazard Data

Flammability: None
Upper Limit: N/A
Lower Limit: N/A
Extinguishing Media: Appropriate to primary cause
Special Fire Fighting Procedures: Avoid contact. Wear protective clothing. Use breathing apparatus in cases of toxic gases.
Unusual Fire and Explosion Hazards: Prolonged contact with metals may release potentially explosive hydrogen gas.

Storage and Handling Information

Precautions to be Taken in Handling and Storage:
Avoid extreme temperatures. Avoid contact with food.
Other Precautions: Keep out of reach of children and pets.
Use normal care to prevent damage to container.

Health Hazards and First Aid

Flammability: None
Upper Limit: N/A
Lower Limit: N/A
Flash Point: N/A
Extinguishing Media: Appropriate to primary cause
Special Fire Fighting Procedures: Avoid contact. Wear protective clothing. Use breathing apparatus in cases of toxic gases.
Unusual Fire and Explosion Hazards: Prolonged contact with metals may release potentially explosive hydrogen gas.

First Aid Procedures:
Skin: Wash thoroughly with soap and water.
Eyes: Flush thoroughly with water for at least 15 minutes.
Inhalation: Remove to fresh air
Ingestion: Give copious quantities of liquids and seek medical attention.

Special Protection Information

Respiratory Protection: Avoid Breathing mist or spray
Protective Gloves: Standard
Other Protective Equipment: Not required
Eye Protection: Standard

Ventilation: No VOC's (standard) ventilation
Local exhaust: to outdoors
Mechanical: Standard air movers and/or fans

Spill or Leak Procedures

Steps to be Taken in Case Material is Released or Spilled:
Prevent further spillage. Hose away spillage with water.

Waste Disposal Method:
In accordance with local, state and federal regulations
